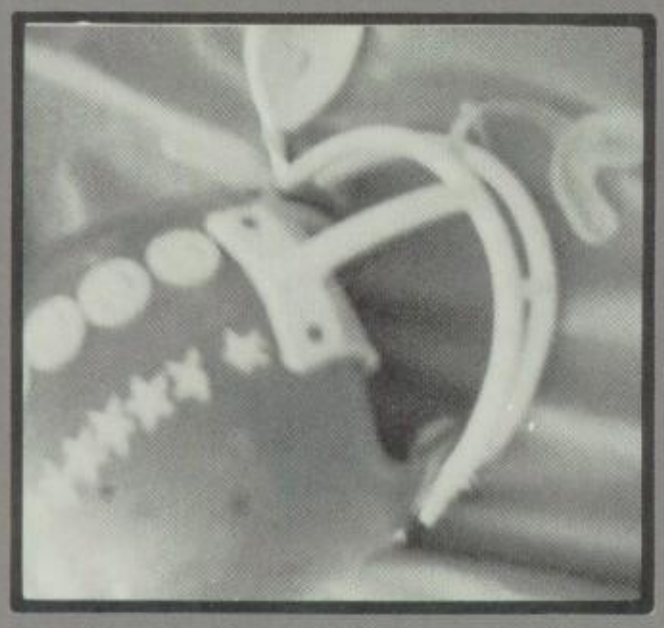
Fort Smith Christian School
Fort Smith, Arkansas
Volume III

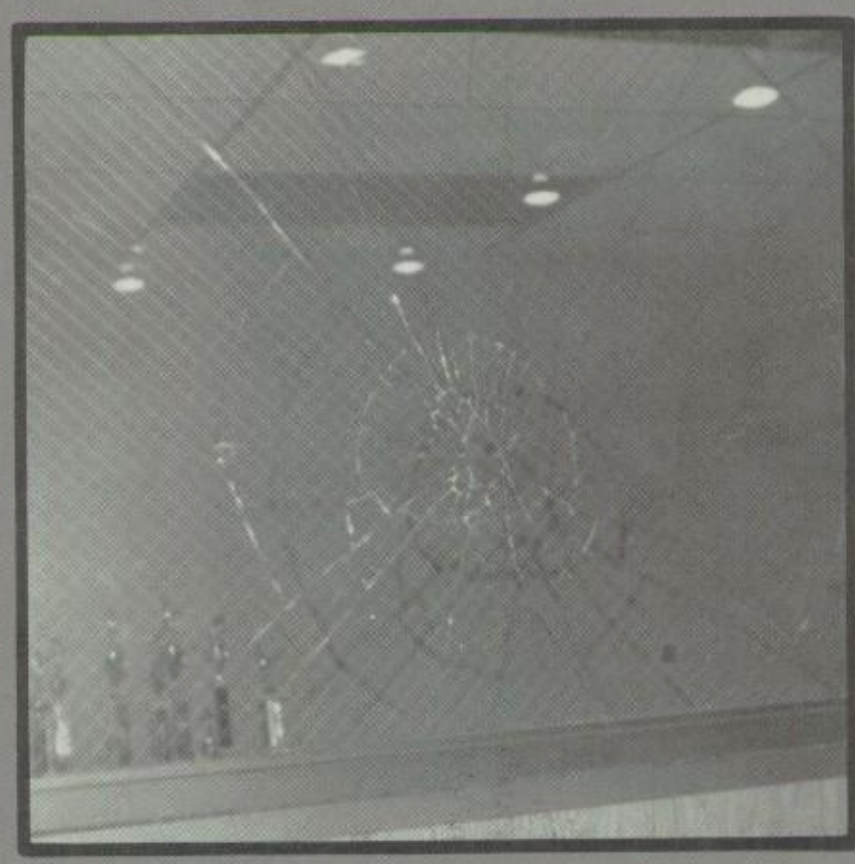
A time to learn...the time of laughter...
our time of worship...of praise...

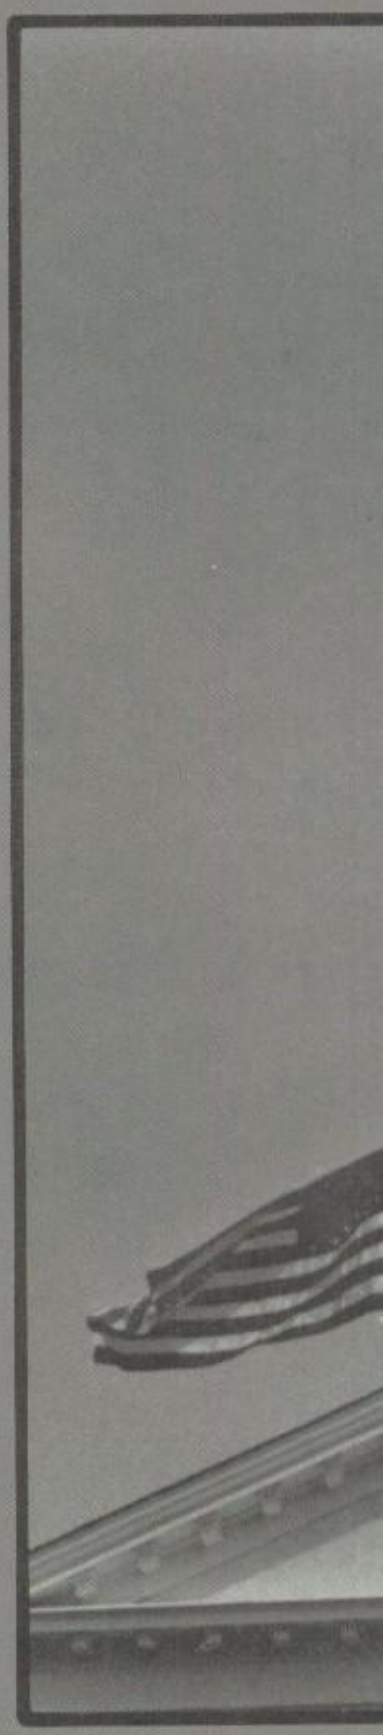


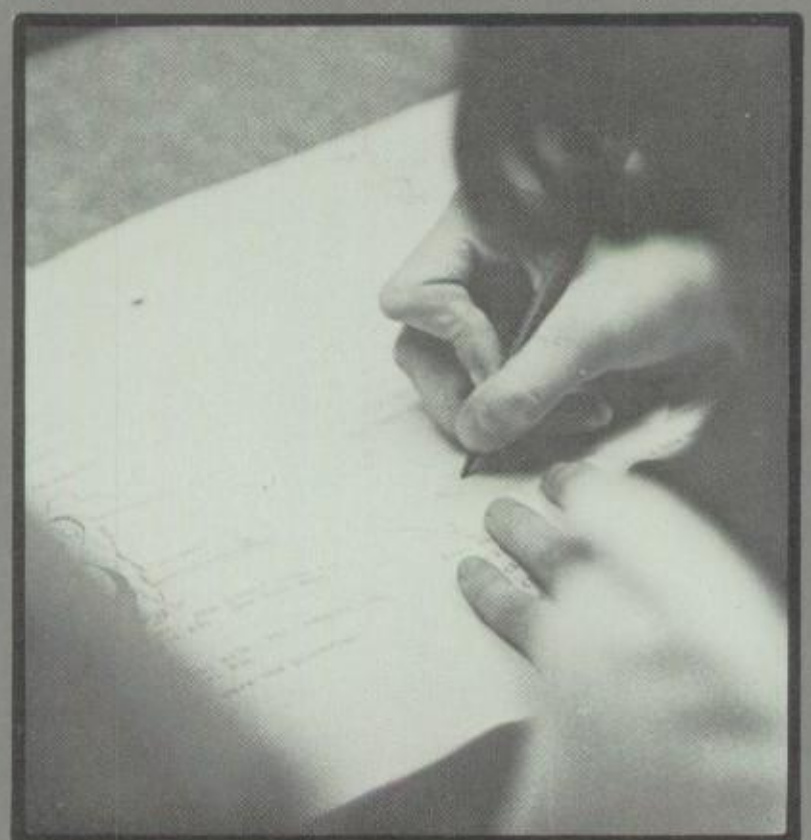
Opposite: Changes in football bring many changes in protection. Standing means different things to different people. Concentration is evident on Carrie Crosswhite's face as she makes changes with her scissors. Middle: The United States flag is flying high in the National Cemetary as seniors, Risa Owen and Mike Lewis, contemplate the year and their coming graduation. Above: In the bird sanctuary at Creekmore Park bare winter branches reach out but occupants are gone. A new day. An inviting array of goodies is displayed by the new chip machine.

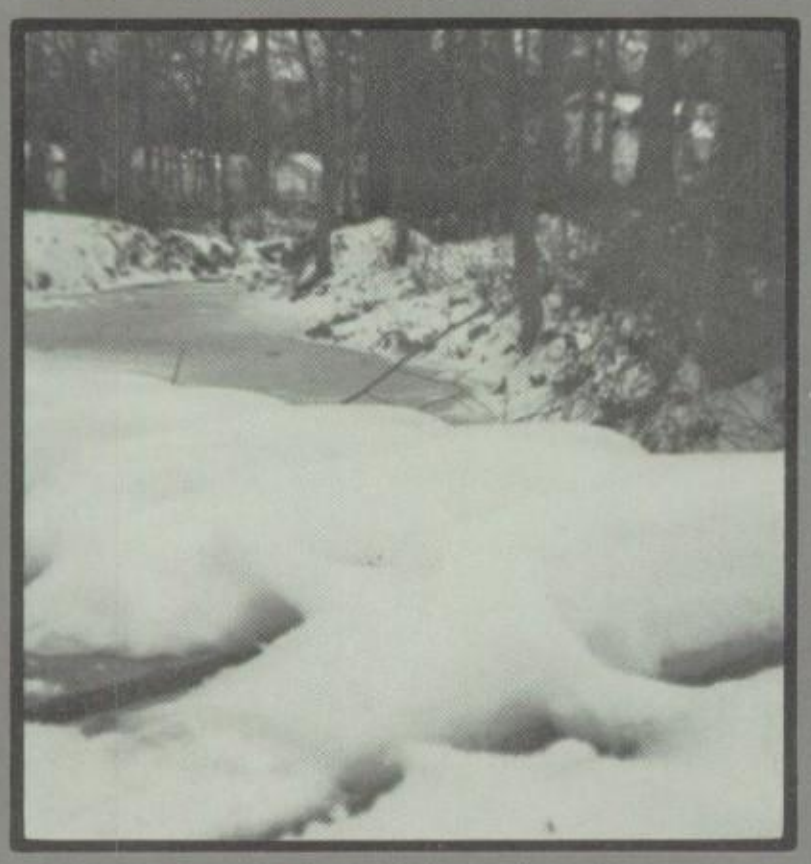
God's time...to teach...to live...in His children.

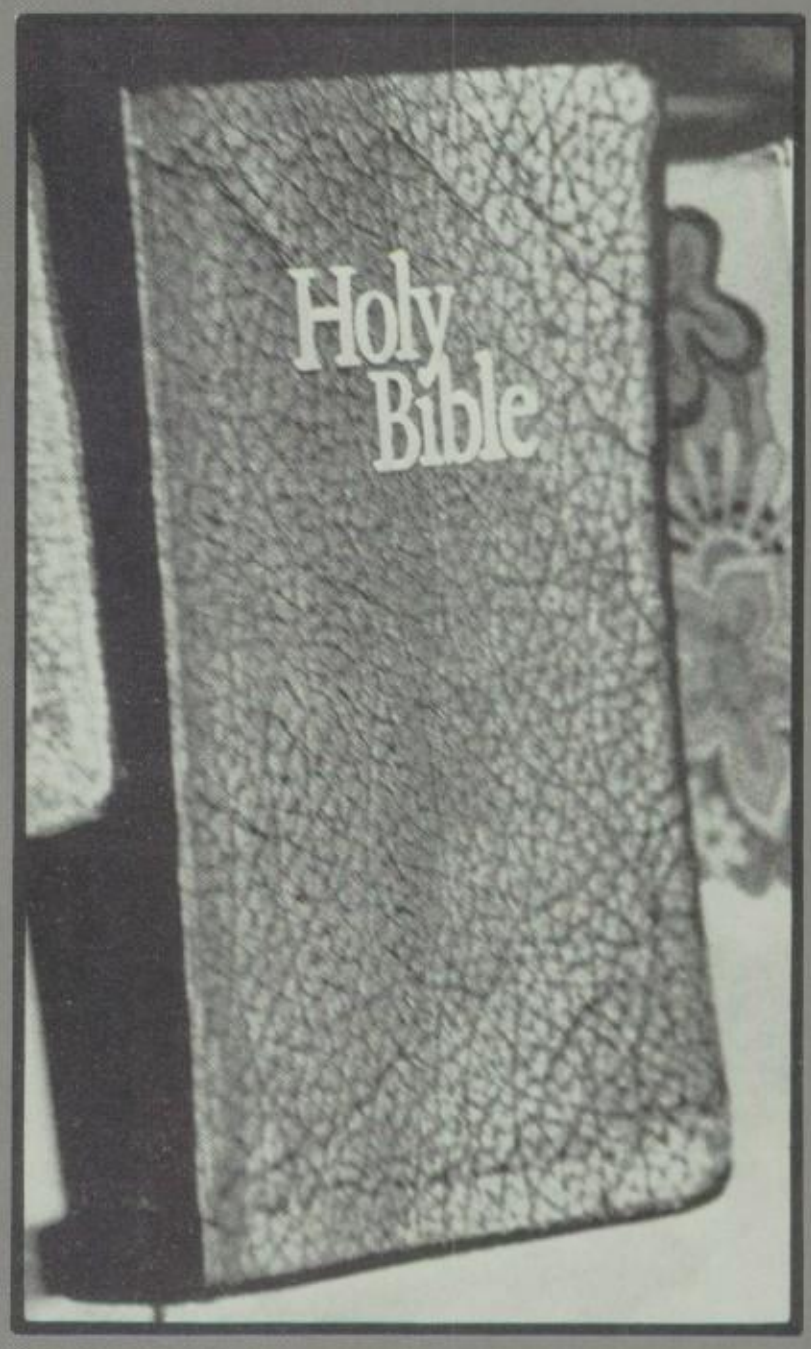
A life we live as changes occur...
in people, places, and seasons...











Pep Club support by Renee Gipson and Sherri Pierce is greatly appreciated by the team and keeps fans cheering. Stephen Malone begins to develop some weightlifting technique. It takes a pretty hard hit to make a web out of break-resistant glass in the gym. Windsor Park Baptist towers above surroundings. Study habits develop and paces move. Snow and ice take over the bird sanctuary; leaving an untouched beauty. "Study . . ." II Timothy 2:15a

God's Word is unchangeable...
"For I am the Lord, I change not."
Malachi 3:6a

"This is the day which the Lord hath made; we will rejoice and be glad in it."

Psalm 118:24

Fall saw the beginning of the third year of Fort Smith Christian School under the leadership of interim pastor, Bro. Murl Walker, and principal, Nick Graham. A new day, a new school year, enrollment up, added personnel and excitement was everywhere! Each day went smoother than the one before as students and faculty learned or reviewed rules and pace routine. A school secretary, a more complete reading program, and scheduled gym use proved to be real assets to the school program.

Bro. Graham was kept very busy handling the responsibilities of a christian school principal and interim church music director. Traveling around Arkansas, Bro. Graham helped to start several A.C.E. schools and helped many others in developing a more efficient A.C.E. program.

After two and a half years as principal of F.S.C.S., Bro. Graham resigned and went to work for Accelerated Christian Education, in Texas, training preachers for upcoming A.C.E. schools. God led Bro. Graham our way—and now God leads him away—and we will miss him.

Bro. Walker served as interim pastor for three months and then turned responsibilities over to Rev. Bill Sutton. First Baptist Church, Van Buren, was happy to have Bro. Walker back as Minister of Family Care.

Coming to Windsor Park Baptist Church from First Baptist Church of Pinehills, Orlando, Florida, Bro. Sutton brings with him his wife, Martha, and three sons. Saved at twenty-one and called into the ministry at twenty-two, Bro. Sutton graduated from Baylor University and went on to seminary. He has pastored churches in Texas and Alabama, also. Planning to develop a more varied family ministry in the church, Bro. Sutton stresses that Christians should follow the leading of the Lord.

Rev. James Brooks, former associate pastor of First Baptist Church of Pinehills, will serve as church and school administrator and also complete the year as principal.

F.S.C.S. welcomes Bro. Sutton and Bro. Brooks to Fort Smith. May God guide Bro. Sutton as Pastor and Bro. Brooks in the newly created position of Administrator.

CHAPEL-
Proclaiming God's Word

Each school week is highlighted by chapel services on Wednesday when the entire student body and faculty come together for singing, praying and praising the Lord. Quoting pledges, monthly scripture passages, and singing the Fort Smith Christian School Song provides an important message from God's Word. Whether it is a local preacher, singer or a guest speaker—each shares Bible truths that are an inspiration to each person. Exposure to all types of Christian service will help prepare students as they find God's will for their life.

Windsor Park Church Forms Fort Smith Christian School Board

Succeeding the calling of Bro. L. E. Traxler to Michigan, Windsor Park Deacons formed a School Board for Fort Smith Christian Schools. The board worked with the administration to help the transition period of the school run smoother. The school board met once a month and at specifically called sessions. The members of the board were Clarence Durham—chairman, Gary Pendergraft—secretary, Ivan Hoffman, Fred Coleman and Ronnie Coleman.

Progress!!

That's what twenty faithful volunteers are making at Fort Smith Christian School. Each volunteer works one morning a week in a specific learning center. Whether it is listening to children read orally or working with children on the reading machine, these volunteers receive a blessing as children work hard to improve their reading skills. There is also a remedial reading class which meets in a group three times a week. These reading programs are designed to increase vocabulary, comprehension and speed.

STUDENT LIFE

Patience can be learned

while working on a yearbook!

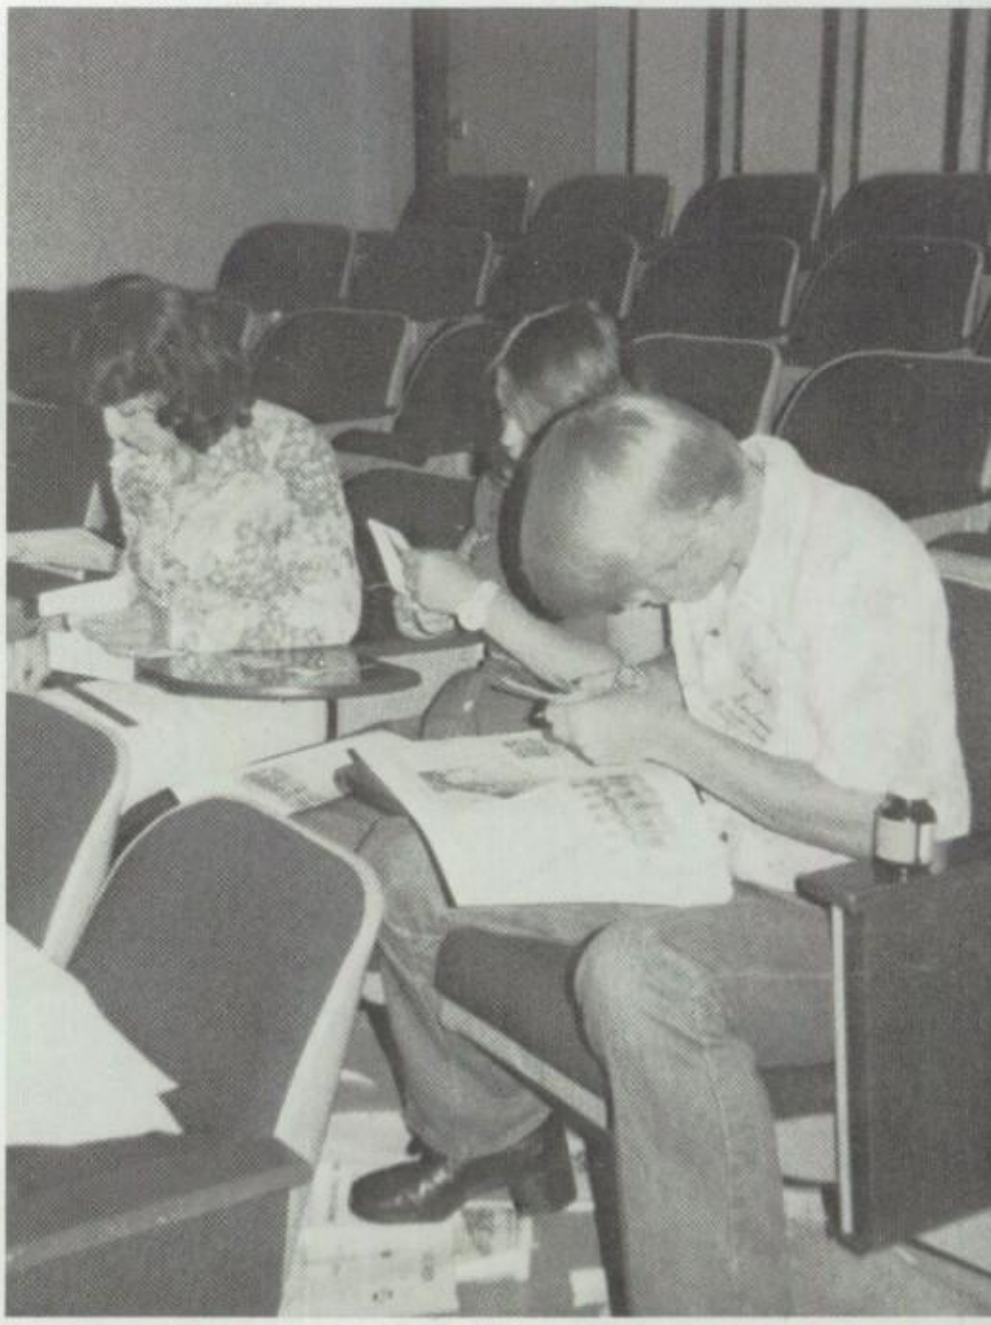
Have you ever met an enthusiastic group of young people rushing to be on time to seminars? That is exactly what happened to Becky Pendergraft, Frank Durham, Ruth Ann Stewart, and sponsor, Mrs. Durham, as they joined with students and sponsors from all over the state, doing the same, at the Yearbook Seminar held at Westark. When no one at F. S. C. knew anything about putting a yearbook together, we decided to take advantage of the seminar. Funny antics brought "Funzy Bucks" which were turned in at an auction for other school yearbooks, supplies, etc. F. S. C. picked up four yearbooks which have greatly aided the serious minded yearbook person in feeling out an idea before trying it.

For most of the staff this was a new experience and the idea (and fact) of re-writing material over and over proved to be more than some could handle. But for the few that persevered it was a learning and rewarding experience. Patience is a "working" characteristic.

Yearbook met twice weekly for 45 minute sessions which proved to just scratch the surface of needed time. Most of the proofreading and re-writing was done by Ruth Ann Stewart and editor, Frank Durham.

Each school year will bring much improvement, better planning, more student participation and greater school interest.

The yearbook staff asks that you enjoy your yearbook and appreciate the time, work and effort that each staff member contributed.



Top: Ruth Ann Stewart, Becky Pendergraft, Frank Durham find a quiet place to work at seminar. Above: Picture sale helps buy more film. Carolyn Johnston, Marchelle Newman and Cindy Price have fun with Mr. Riggs' ditch.

Top: Richard Henson, at A. C. E. National Convention finds that pictures are always needed. Ruth Ann Stewart, Becky Pendergraft brought home the Special School Award from Yearbook Seminar. Left: Newcomer Cheri Huggins, enjoys working on layouts after understanding basic procedures. Mrs. Durham sits in front for pictures at convention. Rhonda Blythe and Sonia Suratt are new staff members. The yearbook cover and division pages were drawn by Rhonda.

F. S. C. Awards Program Highlights School Year

September marks the beginning of each new school year and the beginning of new studies and goals. The Awards Program in June highlights these achievements in academics, sports, and kindergarten promotion. Some awards had been presented in the learning centers during the school day. These covered areas that each supervisor felt was important to his or her own learning center. Certificates had also been given out in the elementary learning centers for oral reading.

Parents and friends were on hand to watch as students received awards. Honors were given for no absences, no demerits, no detentions, athletics, "A" and "B" Honor Roll, highest pace average, most paces completed, cheerleading, most hundreds, students of the month, student of the year, etc. Mr. and Miss F.S.C. winners were announced for senior high, junior high and elementary learning centers.

State Competition Is Challenging and Exciting

F. S. C. students attended the ACE state convention at Pine Bluff April 26-28. Competition covered a variety of categories involving young people from schools across the state.

Rallies held each evening brought a closeness with new friends as we joined together in singing and hearing God's Word.

Daily activity never ended as students competed in one area and then changed clothes and rushed to another area of competition. With numerous events going on at the same time, excitement was everywhere. F. S. C. students encouraged and cheered each other as they passed from event to event.

Gary Elfner, area ACE co-ordinator, led the rallies and enjoyed seeing competition between Christian young people in academics, arts and crafts, sports, music, persuasive and dramatics. Bro. Elfner emphasized that if a trophy is all that is brought home by a student—then the convention was a failure. He emphasized developing Christian character through competition.

Awards were presented on the final night. Boys looked sharp, girls were pretty and excitement reigned! F. S. C. capped five out of six categories and took the overall award.

After it was over, everyone realized that now all the winners were from the same place—Arkansas—and at Nationals they would represent not only their school but their state!

A. C. E. National Convention Is a Real Blessing

Three thousand young people and sponsors from across the nation gathered together at Hyles-Anderson College, Hammond, Indiana for the A.C.E. National Convention. A variety of categories of competition provided lots of things to see and do.

Each candidate had competed in one or more categories at their school and then in state competition before earning the privilege of going to nationals. Seven students attended from F.S.C.: Renee Gipson, Cheri Huggins, Joanie Durham, Marchelle Newman, Frank Durham, Cassie Michael and Richard Henson. Rhonda Blythe and Leslie Pickens sent their entries to Hammond.

Five different locations of competition meant our young people went different ways for registration. First Baptist provided buses and drivers to shuttle people from place to place and the busy week began.

Women of First Baptist Church put on tremendous opening programs at each rally. Dr. Jack Hyles joined Dr. Donald Howard in the cry for Christian living from Christian young people. Dr. John R. Rice was honored as well as bestowing honors. Rallies were exciting, fun, and truly a spiritual blessing as God worked through the convention.

It was meaningful to each one to see new places and meet other Christian young people from all over and learn about their schools and states. Competition was tops as hours of work had gone into each entry. F.S.C. students felt honored to represent their school and their state.

"Ponder the path of thy feet, and let all thy ways be established."

Proverbs 4:26

During 1975, I began doubting my salvation. I did some things that I knew a Christian didn't do. They didn't really bother me until I started searching my life to find the time, date and what happened when I received Christ, but couldn't. The only thing I could remember was in 1972 when I walked the aisle to sign a card. I don't remember anyone showing me in God's Word how to become a Christian. This really stuck to me. I started thinking that I had been a phoney for three years, not knowing what it was like to be a Christian.

On a Monday night, June 30, 1975, I had gone to bed at 10:00 p.m. I could not sleep because this was troubling me. I got up out of bed, went to my mom and asked her what it really meant to be a Christian. She began showing me scriptures and then asked me why I wanted to know. I told her all the things that had been going through my mind. There in our livingroom, my mother showed me in Romans how to become a Christian. "For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13. Mother then asked if I was willing to ask Him into my heart. I said yes, so we bowed our heads and I asked Jesus into my heart.

All those troubles and miseries and everything that bothered me was gone because I knew the Lord Jesus Christ had come into my heart for the first time. Now I can say that I'm a Christian and can tell others about Him.

As a senior I am proud to be a part of Fort Smith Christian School.

Mike Lewis

I John 2:17 says: "And the world passeth away, and the lus thereof: but he that doeth the will of God abideth for ever."

I was saved January 18, 1976, and since then I have tried to live a God would have me to.

I have found that when I sin the fun of it doesn't last but for a while, but when I do what the Lord would have me to do, my joy is eternal.

I have learned to give all I have to Jesus. My problems are His to solve and when I let Him solve them everything turns out great.

Jesus has taught me His love is everlasting and He will never forsake me. He is forgiving and patient when I fail Him; Jesus loves me!

I love my Lord, I thank Him and praise Him for dying on the cross for my sins. Now I can live an exciting and eternal life with Him.

It has been a pleasure going to Fort Smith Christian School. Without God and my parents I would not have been able to go here. God has taught me patience with people I couldn't get along with and now most of them are my closest friends. Without the love of God in me I could not love anyone else.

I got tired of trying to please people and decided to please my Lord. He has given me faith to live each day. I depend on Him to supply all my needs. "But my God shall supply all your need according to his riches in glory by Christ Jesus." Philippians 4:19

David Fry Wins Eagle Award

The Eagle Award is an award that goes to a young man that performs well in all activities. Thus the '78 Eagle Award went to David Fry. He is not only an outstanding athlete, but outstanding in all other areas. He is a member of Windsor Park Baptist Church and faithful to church activities. He is a witness for Christ both on the court and off.

Get Up, Get Going, Get Your Spirit Showing!

A lot of hard work went into this year's eerleaders. During the summer, they were at 7:00 a.m. two days a week practicing nps and yells, getting ready for cheerleading mp. They attended camp at Pensacola Chris- n College, Pensacola, Florida, where they re- ved first place in Technique and third place Spirit. To raise money to go to camp they d a car wash and sponsored a work day. embers of Windsor Park also gave donations help cover expenses of the van. Teaming up h the Pep Club, they sold popcorn to raise oney for uniforms and pom pons. roughout the year the cheerleaders were sy with pep rallies, ball games, making signs d generating school spirit. During the week Homecoming the cheerleaders sponsored t Day, 50's Day, Slave Day, Sock Day, Rib- n Day and most exciting of all—Costume y. Costumes varied from such things as a ttle of Gatorade to a replica of the 50 yard e. Football season was highlighted with okies and cakes for each player and their use decorated. Before the basketball game tween the Deacons and Faculty, the eerleaders hosted a chili supper in the owship hall. To show no favoritism, the uad was divided and cheered for both ms.

Team Effort Proves Successful for F. S. C. S. Eagles

Chilly weather . . . a coat . . . hat . . . fans . . . bleachers . . . cheerleaders . . . opposing teams in pads . . . and you have "Football Fever". Hunts' Park was home field and abundant bleachers encouraged more F.S.C.S. fans to come out and cheer the Eagles on to victory.

The season proved to be close between Victory of Pine Bluff, Spurgeon of Little Rock, Northside Christian Academy of Fort Smith and Memphis. The championship went down to the wire as the Eagles faced the Northside Saints on their home field. Byron Moore scored the first Eagle touchdown. The Saints held the Eagles from converting extra points. The Saints got on the scoreboard with a touchdown and two extra points. Frank Durham scored another touchdown for the Eagles. That meant defeat for the Saints as the Eagles rallied to keep momentum going and stopped Northside from scoring.

Coach Walton continued to emphasize team effort and the title is truly for the team. Hard workouts were normal as practice developed new skills and sharpened others.

Mike Malone and Frank Durham made A.C.A.A. All-Conference. Outstanding player for the Eagles was Mike Malone and most improved player was Scott Campbell.

Sherri Pierce to Reign as 1977 Football Queen

It was the perfect night for the crowning of Sherri Pierce at the FSC vs. Northside game. The large crowd, well-lit Hunt's Park Stadium, and excitement of the game added to the festivities. The five candidates were kept in suspense until half-time of the game when the queen was announced. Even with the combating of mosquitos it was still a thrilling night from start to finish.

Pep Club Promotes School Spirit!

During the football season the pep club supported the cheerleaders with yelling, screaming, and cheering at all games. Under the leadership of Sherri Pierce and Becky Pendergraft the girls raised money by selling popcorn for new uniforms. They also donated money for the permanent robe for all F. S. C. queens. The girls met every other week to learn new cheers. The sponsors were Janice Wisdom and Frances Morreale.

Junior Cheerleaders Work Hard

Tryouts for junior cheerleaders followed a strenuous week of practice under the leadership of F. S. C. varsity cheerleaders, Marchelle, Joanie, Cheri and Billie. Competition was close and ties had to be broken by the judges. Daily practice, during breaks, resulted in many more cheers and squad improvement. These skills were evident at the games and were appreciated by the fans. Elementary students had good reason to cheer about their junior cheerleaders!

Coach Cross became head basketball coach when Bro. Walton moved. Of course, there were adjustments to be made by the Eagles as each coach coaches in a different way. Already friends—the Eagles and Coach Cross got along great. Practices were hard but fun, also. Mike Lewis and Mike Malone made All-Conference and Mike Malone was the F. S. C. Most Valuable Player. Frank Durham led the Eagle scoreboard with an average of 14.7, then Mike Lewis with 13.4 and Mike Malone with 10.7. A fine squad of Eagles lettered this year meeting the 26 quarter playing time rule.

Debbie Pierce: Robed in Velvet

Half time of the F. S. C. Eagles vs Northside Saints game saw the crowning of Debbie Pierce, first F. S. C. Queen to wear a beautiful red velvet robe. Cheerleaders and Pep Club members combined efforts to earn money for the robe which will be worn by all future F. S. C. Queens.

Varsity and junior varsity basketball players had nominated the slate of candidates. From this list, the junior high and senior high learning centers narrowed the list to five. Final voting went back to the basketball teams. Basketball Queen and Maids were announced before the entire student body during a pep rally. Debbie was to be the 1978 Queen!

Boys P. E. Provides a Variety of Activities

Junior and senior high boys were combined to make up the boys physical education class, meeting four times weekly. Participating in activities such as football, volleyball, basketball, and baseball provided excellent opportunity for new skill development. Class competition included relays, weight lifting, obstacle course runs, etc. Bro. Track Team Wins State!

Enthusiasm ran high among the team as they traveled to meets across the state. Individual awards were given at each meet which encouraged the boys as they trained for the upcoming competition. Track season provided an excellent opportunity for each team member to encourage each other, support each other, and develop team spirit.

Hot Springs hosted the Arkansas Christian Athletic Association State Meet and even provided extremely hot weather as a bonus. In spite of the weather, F. S. C. competed in relays, mile run, several dash runs, high jump, shot put, discus and broad jump. When the points were tallied, F. S. C. walked away with the championship!

Volleyball Interest Increases

Enthusiasm for volleyball resulted in a large turn-out from the junior and senior high learning centers. Coach Pringle spent a great deal of time stressing drill, correct form and working as a team. Girls were rotated often which gave each player experience in each position and with different team members. F. S. C. held a Volleyball Round-Robin and also participated in one in Pine Bluff. Eight senior high girls represented F. S. C. at the A. C. E. State Convention, placing second.

Dear Dana,

I really going have
to start writing smaller
letters to you cuz you
but I like your clothes because
the dresses are really cute
and dresses are always
your shorts and shirts.
But your blue jeans are
really cute and well
bye
